The District's governing authority is vested in a seven-member Board of Directors. Board members qualify to serve by execution of the constitutional oath of office. Board members are elected for four-year terms with three or four positions elected every two years.

Our Board Meetings are held on every third Wednesday of the month unless otherwise posted (see Public Info section on this website). These meetings are open to the public and there is always a Public Comment section on the agenda. The Public Comment section is for the Public to address non-agenda items and request that their item to be considered on a future agenda. Individuals are limited to a maximum of five (5) minutes. The Board cannot deliberate on non-agenda items.
